

# 5676

## Top-End Yields for Every Acre

- Widely adapted hybrid
- Very uniform with excellent head exertion
- Dark red grain
- Holds yield in stress conditions

Maturity

Medium

Days to  
Mid-Bloom

63

### Product Features

Agronomic Characteristics			
Seedling Vigor	3	Stalk Quality	2
Plant Height	4	Tillering	-
Grain and Head Type			
Grain Color	Red	Head Type	5
Exertion	2	Uniformity	2
Drydown	3	Test Weight	4
Weathering	5	Greenbug Resistance	C
