

5750

High Yielding Early Bronze

- Excellent yield for maturity
- Maintains maturity in late plantings and in western areas
- Ideal choice for double crop
- Tall plant type for maturity with good head exertion

Maturity

Early

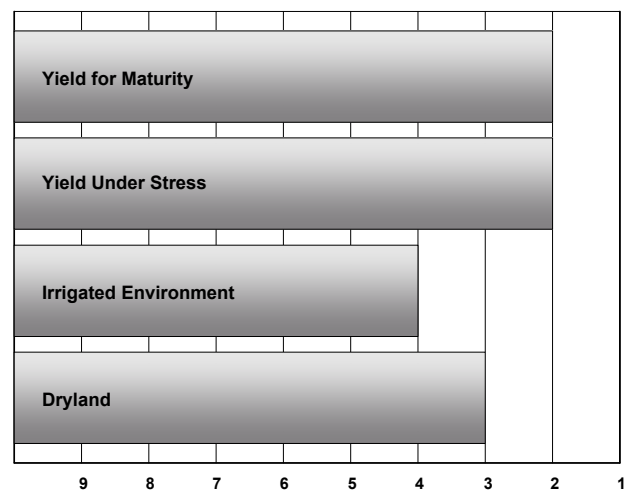

Days to
Mid-Bloom

62

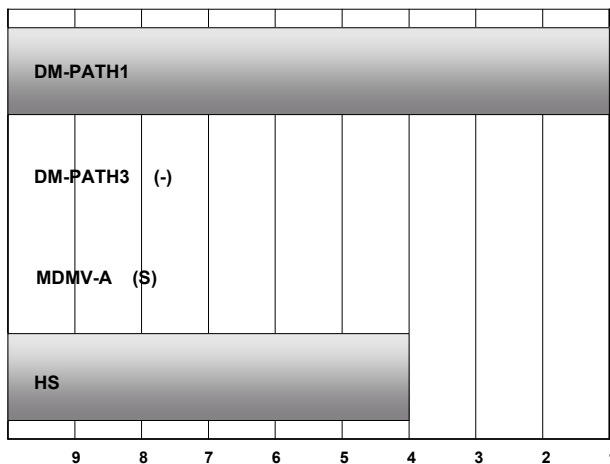

Product Features

Agronomic Characteristics			
Seedling Vigor	3	Stalk Quality	3
Plant Height	3	Tillering	3
Grain and Head Type			
Grain Color	Brz	Head Type	3
Exertion	3	Uniformity	3
Drydown	2	Test Weight	2
Weathering	4	Greenbug Resistance	E
